

The power of neighbors helping neighbors

Join us to help those in need of heating assistance stay warm this winter by donating to Brunswick Electric's annual Warm Homes, Warm Hearts campaign. BEMC will match your donation dollar for dollar.

Every year we are impressed by your generosity and are pleased to partner with you in this local, grassroots program.

Every dollar counts!

bemc.org  

Together, we make a difference

Since 2008 we have raised nearly \$816,000 through our **Warm Homes, Warm Hearts** campaign. Brunswick Electric's program provides heating assistance to seniors and families in need right here in our communities.

Here are the details:

- BEMC matches your donations up to \$50,000 each year
- 100% of your donation goes to those in need in the communities we serve
- All funds are administered through our community partners, Brunswick Family Assistance and Columbus County Department of Aging

- Every dollar counts, and with BEMC's match, your effort to do good goes twice as far

A donation envelope is enclosed for your convenience.

Please don't mail your donation with your electric bill payment.

You can always make a donation anytime by mailing a check made out to **Warm Homes, Warm Hearts** to:
BEMC, PO Box 826, Shallotte NC 28459
