the community.*

Contribute to the *Warm Homes, Warm Hearts* Campaign and Keep Our Community Warm This Winter!

We now have the power to help our neighbors stay warm this winter. You can make a difference by contributing to the *Warm Homes, Warm Hearts* campaign! All money donated will provide financial assistance for those in our community that need help with their heating bills this year. And, if you have a "hard to buy for" person on your holiday shopping list, consider making a donation in their name. What a great gift that will help our community!

To help out, please complete the donation form on the right side of this pamphlet...and remember BEMC is providing up to \$50,000 in matching funds for all donations from the community.

Your donation can make a real difference for an elderly resident, a struggling young family, or perhaps someone that's been swamped with unexpected medical bills or a job layoff. It can happen to any of us. With your help, we can see that no one gets left out in the cold this winter. Please give generously.

Help Keep Our Neighbors Warm This Winter By Giving Generously To Warm Homes, Warm Hearts!

As a thank you, ALL contributors of \$5 or more will receive this colorful static cling window decal!

Here's the difference that our collective efforts made in just the first year of the program . . . we helped well over 600 families or seniors . . .

"We saw a 10-15% increase in requests for help in the winter of 2008-2009. The impact of the BEMC Warm Homes, Warm Hearts program was tremendous for our agency."
Ed Worley, Executive Director
Columbus County Dept. of Aging

"Without the support of BEMC and the fantastic community support, many families would have been in darkness and cold this winter. We at BFA were able to magical things thanks to the Warm Homes, Warm Hearts program."
Joe Cannon, Executive Director
Brunswick Family Assistance
